

June 4: Street Sale and Music in the Park

1. Need Business Engagement - Street Presence

June 4 is Town Wide Garage Sale

We have opportunity to engage with many locals and visitors who come to Smoky Lake for that event.

Chamber is looking for members/non-members to participate by having a street presence on June 4th from 930 to 330.

2. Music in the Park

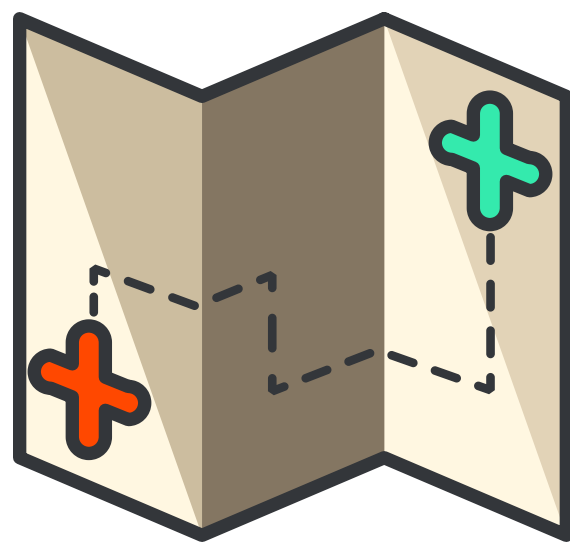

Chamber is hosting a band to enhance the day, will be located outdoors at Pumpkin Park (weather permitting) with an indoor alternative.

Great place to spend the end of the day, grab a bite, and talk about your deals!

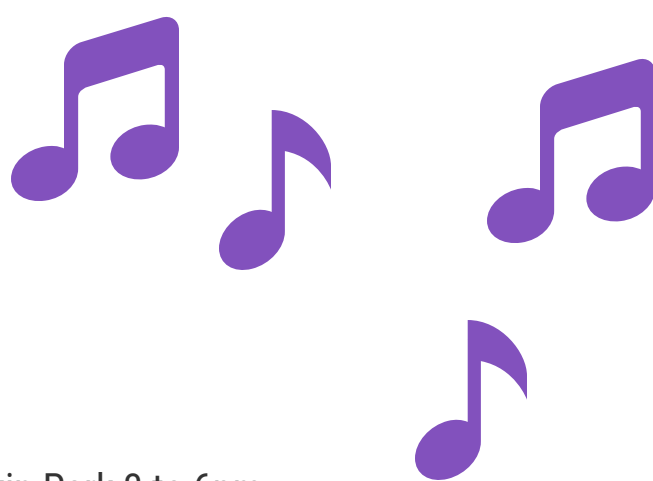

3. Advertising the Event

In order to reach the **garage salers**, we need to have confirmation from businesses of their participation so we can include with the garage sale map.
